

## July 2024 Safety

### Spark the Celebration, Not Accidents

As we gear up for 4<sup>th</sup> of July festivities, let's ensure our celebrations are not only spectacular but safe. Firework safety is very important during July.

- Leave it to Professionals.
  - Enjoy public firework displays organized by trained experts.
- Know Your Local Laws
  - Familiarize yourself with local regulations on fireworks. Some areas may have restrictions or bans due to safety concerns or dry conditions.
- Keep a Safe Distance
  - Maintain a safe distance between spectators and fireworks.
- Water Everywhere
  - Have a bucket of water or hose nearby for emergencies and to douse used fireworks.
- Eye Protection
  - Use safety glasses to protect your eyes from potential sparks or debris. Safety first, even when enjoying the displays.
- Children or Pets
  - Keep children and pets at a safe distance from the fireworks.
- Emergency Plan
  - Have a plan in case of an emergency. Know the location of a first aid kit and emergency contact.
