* Each award minimum is \$1,000 with additional increments of \$100, \$200, \$300 etc.

We wish to have the award made at (school or state of award): _____

PLEASE BE SPECIFIC. Geographic references such as counties or regions within particular states are not enough information for the Awards Committee to locate eligible students. If at all possible, please name the schools. Realize that it is up to the chapter/individual/company to solicit students to apply for the scholarship.

A. We wish to award an Undergraduate Award to a student with this additional criteria: _____

AND/OR:

B. We wish to award a Construction Trades Award to a student with this additional criteria: _____

We understand that NFSF will make every effort to award a scholarship according to the criteria that we have set out in this application. In the event NFSF is unable to do so, we understand that NFSF will contact us about the possibility of using our funds to award a scholarship to another qualified recipient as close to our original intent as possible.
